

Waste the World with Me

Sweet as death may be
I'm eternally...
Sweet as her lips may be
I'm eternally lost in-between

Come
Come and taste
Come
Come and waste

Waste yourself...
Waste yourself for me
Waste yourself...
Waste yourself with me

Take me
In your arms
Lead me
With Your
Innocent eyes

Take me
To the stars
Lead me
With Your
Dangerous desires

Injected
Rejected
Suffocation
