

### Gravity of Light

Are the doors of  
Perception opening  
Are the doors of  
Blindness closing

Is Eternity  
Ahead of you?  
Is the Eternal  
Flame ahead of you?

Can you see it?  
Can you feel it?  
Can you see it?

Do what you are doing now  
Suffer what you are suffering  
Nothing needs to be changed  
But your heart

So we are radiated  
As we kill for the nation  
Our flags celebrated  
As we're feeding our fears

Can you see it?  
Can you feel it?  
Can you see it?

As if dust  
We're remaining here  
As if time  
We're perishing with ...

As if shadows  
We're belonging here  
As if love  
We're hurting here

Can you see it?  
Can you feel it?  
Can you see it?
