

As In Us

As time
As reality

As dreams
In gravity

As eyes
As landscapes

As you
As me

As pain
As vanity

As fields
Insanity

As lies
As memories

As you
As me

You're the devil in me
Yeah...The devil in me
She's the beast in me
Yeah... the beast in me
You're the devil in me
Yeah...The devil in me
She's the beast in me
Yeah the beast in me

You're the devil in me
Yeah...The devil in me
She's the beast in me
Yeah... the beast in me
You're the devil in me
Yeah...The devil in me
She's the beast in me
Yeah the beast in me

Where's the angel in us
Yeah the angel in us
Where's the angel in us
Yeah the angel in us

Where's the angel in us
Yeah the angel in us
Where's the angel in us
Yeah the angel in us
