

How Far Would You Go For What You Believe

When the darkness
Sets itself
Somewhere in our hearts
My kingdom will come
When the sadness
Keeps us apart
I'm floating
I'm floating

How far would go for what you believe
How far would go for what you believe

Spread your wings
And fly
Somewhere in the night
My love will come
When the dream
Keeps us alive
I'm floating
I'm floating

How far would go for what you believe
How far would go for what you believe
