

Emotive

All the suffering
All the heartache and pain
Embracing me again
Deep within

All the bloodshed
All the hatred and doom
Rewarding the evil again
Deep within

Let me be what I was
Lost...
But alive
Let me see what I saw
Pain...
Full of joy

All the suffering
All the heartache and pain
Embracing me again
Deep within

Let me be what I was
Lost...
But alive
Let me see what I saw
Pain...
Full of joy

Step by step
Sliding...sliding
Into the void
Step by step
Sliding ...sliding...
